

Flow Filo

Designer	Jean Marie Massaud
Year	2019-2020

Perfect blend of design and manual flair, Flow Filo is characterised by the precious craftsmanship of its workmanship, achieved by welding together the thin steel wires of which it is composed. Its unmistakable silhouette, suitable for outdoor environments, maintains all the refinement of the iconic Flow family.

Available in both chair and armchair versions, it features a single sled base and an optional polyurethane pad to enhance the comfort of the seat and backrest.

Frame

Matt powder-coated steel rod.

Pad

Seat and backrest in FreeForm polyurethane.

Accessories on request

Protective rain cover in light grey colour, specifically for outdoor products, waterproof, made of 100% polyester, outside with acrylic coating, inside with acrylic resin coating. Its characteristics are emphasised by its fully fungicidal Teflon finish.

Each rain cover comes with a closable slip cover, so that it can be folded and kept correctly when not in use.

Flow Filo finishes
