

Flow Low Table

Designer	Jean Marie Massaud
Year	2010

The Flow Low Table collection, part of the iconic seating family, stands out for its minimal and elegant design, effortlessly adapting to a wide variety of settings and styles. Available in three sizes and two colours, these tables, designed by Jean Marie Massaud, meet all needs, pairing seamlessly with sofas, beds, and other furniture pieces. Whether used individually or combined, they create dynamic and contemporary compositions.
