Informal elegance and classic lines define the M1 chair by Piergiorgio Cazzaniga. Available with a stainless steel base or a matt white painted finish and a white plastic shell, this chair offers a fully recyclable solution for a variety of outdoor environments. Thanks to its minimalist silhouette, it effortlessly fits into terraces, gardens, and public or private pool areas, as well as more urban settings. Easily stackable up to 16 units, the M1 chairs ensure optimal space efficiency.

Shell

Partially recycled linear polypropylene, mass pigmented in matt white or matt painted. Fully recyclable.

Accessories on request

Protective rain cover in light grey colour, specifically for outdoor products, waterproof, made of 100% polyester, outside with acrylic coating, inside with acrylic resin coating. Its characteristics are emphasised by its fully fungicidal Teflon finish.

Each rain cover comes with a closable slip cover, so that it can be folded and kept correctly when not in use.

Base

Satin-finished 316 stainless steel for an absolute resistance to atmospheric agents, or steel painted with polyester powder with matt white finish.
