

TOUT VA BIEN CABINET

ANTOINE + MANUEL
2009

COMPONENTS, MATERIALS & FINISHES

Modules, sides and doors are made from a manufactured MDF fibre board and painted in micro-textured finish.

Doors, tops and sides are injected with an integral polyurethane with a chipboard support. The boxes are fixed together with mechanical connections. The door spring hinge opening system is made in white zinc plated steel and it has "Push to open" system.

Legs are solid alder and lacquered with a micro-textured paint (the same colour as the doors). Incorporated within the legs are a metallic ring of M8 for attachment to the main body. Legs with code AM 04, are injected with integral polyurethane and incorporate a regulating piece. There are four different models to be chosen from to create a distinct and personal combination. Pieces include a treatment to resist xylophagous (i.e. worm wood).

The product has two finishing colours: White Grey (RAL 9002) and grey anthracite (RAL 7024).

DIMENSIONS AND WEIGHTS

MODULE 1:

130 x 57 x h. 82/102cm* - 76/78kg*
51,2 x 22,4 x h. 32,3/40,2" - 167.5/172lb*

MODULE 1½:

190 x 57 x h. 82/102cm* - 116/118kg*
74,8 x 22,4 x h. 32,3/40,2" - 255.7/ 260.1lb*

MODULE 2:

250 x 57 X h. 82/102cm* - 152/154kg*
98,4 x 22,4 x h. 32,3/40,2" - 335.1/ 339.5lb*

STACKED MODULE 1:

130 x 57 X h. 142cm - 139/141kg*
51,2 x 22,4 x h. 55,9" - 306.4/ 310.9lb*
