Year  
Designer

2006  
Marco Acerbis

---

A playful and spirited re-imagination of quintessential Italian living room pieces, the Pond family of cocktail and side tables, with a conical base that seems to disappear into shadow, creates an illusion of a watery surface in high-gloss glass, or intrigues with the mosaic of minerals and grains of the marble top. Easily adaptable to various spaces, the tables come in a range of measurements, with a 120 cm version on removable wheels which are hidden inside the base.

## Dimensions

## Finishes

Top in the version:

- mirrored glass
- lead mirrored glass
- extra-clear back-lacquered glass in the colors: black, white SW, linen, sand, clay, burgundy, pink, dark green, mustard yellow, brick red, navy blue.
