

# Rock Table Maxi

Designer	Jean Marie Massaud
Year	2023

Rock Table Maxi is defined by its unmistakable design, featuring a top in the interesting shape of a rectangle with rounded corners, crafted to enhance interaction among those sitting around the table and encourage seamless conversation. Its geometry lends the table an elegant and dynamic presence. The lightweight concrete base supports a top available in a variety of finishes: lacquered, bleached or brown-stained oak, Canaletto walnut, or concrete.

Ideal for modern dining rooms and living spaces, Rock Table Maxi brings personality and sophistication to domestic interiors, while also effortlessly fitting into offices, executive rooms, or meeting spaces. Its carefully considered proportions and bold design make it a distinctive feature, enhancing any setting with a convivial, welcoming atmosphere.

## Lacquered top

Matt lacquered medium-density fibreboard panel, machined on the edge. Thickness 25 mm.

## Stone chip cement top

In UHPFRC (ultra high performance, fibre reinforced cement), with high technical / structural characteristics, coloured in mass using natural oxides, enhanced with a stone chip surface made up of Alpine and Tuscan rocks and stones. Thickness 11 mm.

## Base

The bases are made of UHPFRC (ultra-high performance fibre-reinforced cement) with cutting-edge technical/structural properties. The finish and colour of the bases are achieved through in-mass pigmentation using a mixture of sand and natural elements, followed by slow maturation and drying of the piece. The joining tube and the flange under the tabletop are made of aluminium and are matt powder-coated.

## Cement top

In white or anthracite UHPFRC cement (ultra-high-performance fiber-reinforced cement), featuring exceptional structural and technical properties, mass-colored with natural oxides and enriched on the surface with gravel made from Tuscan-origin aggregates. Thickness 11 mm.

## Wood top

Panel in veneered medium density wood fibre, 25 mm thick. The edge of the top and underside are lacquered matt white or matt graphite grey, depending on the finish.

## Notes

Monochrome combinations:

- White version: base in natural cement, matt white tube and flange, top in lacquered white, white cement, bleached oak wood or white stone chip cement.
- Anthracite version: base in anthracite cement, matt graphite tube and flange, top in lacquered graphite grey, brown oak wood, Canaletto walnut wood or anthracite cement.
- Orange version: base in terracotta cement, matt orange tube and flange, terracotta stone chip cement top.
- Green version: base in green cement, matt green tube and flange, green stone chip cement top.

# Rock Table Maxi finishes

## Top

### Lacquered

Matt lacquered white X042  
Matt lacquered graphite grey X082

### Stone chip cement

White stone chip cement X180  
Green stone chip cement X178  
Terracotta stone chip cement X179

### Cement

White cement X193  
Anthracite cement X192

### Wooden

Bleached oak X075  
Brown oak X076  
Canaletto walnut X159

## Base

Natural cement X080  
Anthracite cement X081  
Green cement X181  
Terracotta cement X182

# Rock Table Maxi dimensions

The height of H72 has a dimensional tolerance of  $\pm$  cm. Variations are to be considered, especially for tables with cement tops.
