

COMPONENTS & MATERIALS:

The table top is made of profiles from Hydro's 95% recycled AL 6060 aluminium. Union profile in extruded aluminium AL 6082. Steel connecting pieces with white zinc coating and stainless steel screws. There is the option of having a Forbo furniture linoleum veneer coating top in the following colors: leather, conifer, charcoal, mauve and pebble. This cover is recycled and renewable. It can be a completely open top, or one or both of the ends closed.

Rod legs in electro polished stainless steel, with Nylon disk end.

ACCESORIES:

- Tray: made of a dark grey architectural concrete, with Nylon slide to facilitate movement.
- Divider: the base is made of a dark grey architectural concrete, with Nylon slide to facilitate movement. The panel is crafted of PET composite felt, made from post-consumer recycled bottles. Available in the following colors: Anthracite, Marble, and Brown.
- Lamp: base made of a dark grey architectural concrete, with Nylon slide to facilitate movement. The post is made of steel with powder coating in black. Lamp holder E27 with switch and silicone cover. The shade is adjustable made of aluminium with a powder coating outside in black and inside in white. Uses a Phillips LED 12W E27 2700K bulb.
- Cable basquet: made of steel with powder coating in black.

Electric cable management:

- Movable conference socket strip: conference power strip support made of steel with powder coating in black. Includes 3x sockets and 1x USB A/C Charger or 4x sockets.
- Movable six socket strip: six power strip support made of steel with powder coating in black. Includes 2x sockets and 1x USB A/C Charger.
- Step socket strip: step power strip with 3x sockets that can be connected to another one and have 6x sockets.

9.4" x 31.5"/39.4" x 6" - 0.8 lbs

FINISHES:

The profiles feature a scotch polish and silver anodized finish, suitable for both interior and exterior use. The upper area of the profiles can be covered with a 0.9mm laminate from Overflex in oak, and Forbo in ray pebble, gray mauve, green conifer, black charcoal and toasted leather for interior use only.

SUSTAINABILITY:

All aluminium and pet parts are made with recyclable and high percentage of recycled material.

CLEANING AND MAINTENANCE:

The table with a silver anodized finish can only be cleaned with a cloth dampened with water and a little neutral soap, or with burning alcohol (methanol 95).

The table with a laminated finish can only be cleaned with glass cleaner (alcohol-free), an ecological cloth moistened with water. You cannot use aggressive products (low in pH), solvents or their derivatives.
