

# Minima bookcase

Designer	Bruno Fattorini
Year	2022

Honourable Mention at the 18th Compasso d'Oro ADI in 1998, Minima is an aluminum bookcase system composed of three key elements—shelves, frame, and cabinets—that can be freely configured. Designed by Bruno Fattorini and characterised by minimalist and lightweight lines, Minima is one of the MDF Italia's iconic products.

For The Principle of Lightness collection, Minima is reintroduced with a hand-polished aluminum finish, in a composition measuring 184.5x188.5 cm.
